Remembrance

Rest high above the clouds no restrictions

Mr. Desaulniers

Mr. Desaulniers' warm smile and fatherly advice established a sense of family among the students and him. Everyone he comes in contact with feels his contagious positive energy and spirit. Mr. Desaulniers' desire to make a difference in people's lives is illustrated in all the activities he puts his energy into: whether it was football, peer mediation, being a Freshmen class advisor or just listening to what students had to say. Although he may not work at the high school anymore, his influence on the students over the past eight years has had a rippling effect that will never come to an end. Both the high school and the town of Weston are truly lucky to have had a man like Mr. D a part of the community. Thank you Mr. D for your devotion to us, you are greatly missed! - Ani Bagdasarian

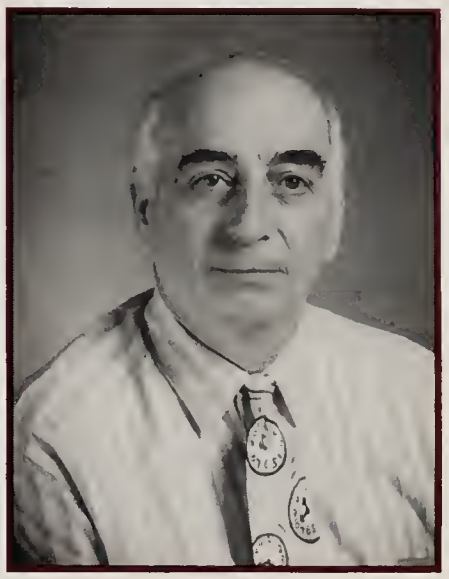
Mrs. Raymond

We have been exposed to Mrs. Raymond's teaching and personality for years. Students were able to take away so many different lessons. Not only did we learn about foreign authors and vocab words that we will never use, but we learned about life, about one another and about life's trials and tribulations. We were able to learn things in her classroom that no other teacher could have ever taught us. Mrs. Raymond was special in her own way, she was always interested in each individual in her class. Whether it was when she had us give speeches about our family and then serve the class our favorite food, or when she brought us out to breakfast, Mrs. Raymond was here to serve us. Thanks for your time and effort. - Peter Zotto

Dedication

Much more than we could ever know

Mr. DeSimone



This year we have to say good-bye to a man who has helped, and supported us through many times at Weston. He is not a teacher, but a man who has touched the lives of many students. Mr. DeSimone is more than a principal, he is our friend. He can be seen wondering the halls, or stopping in during a class. He has supported us through our achievements whether they have been in the classroom, on the field, or in the arts. You can go to Mr. DeSimone with whatever you need. He will always lend an ear whether it is just to chat, or to solve a problem. He always feels it's his responsibility to look out for us, and makes sure we are doing the right thing. This is something all of us will never forget. We consider ourselves priviledged that Mr. Desimone will be 'graduating' with us. He has kept smiling for the past four years. He will always be remembered at Weston High School, and even more important in our hearts. - Meghan Kelly

Mr. Hartmann

Mr. Hartmann is known for his charismatic humor and intriguing anecdotes. He adds joy and enthusiasm to all his classes. He never fails to give attention to those quiet, hesitant, yet knowing voices. He has the adeptness to broaden the horizons of the minds of students through encouragement and the sharing of personal experiences. A gentleman of poise, laughter, happiness, and intelligence, he will remain in the hearts and minds of all those he encountered. Most importantly, he will forever be remembered as a supporter, mentor and friend. He never ceases to enrich our minds in and out of the classroom. We are priviledged that you chose to wait for us to graduate before retiring. It would be unimaginable not to have the presence of Mr. Hartmann every day in our school. Thank you for all that you have done and contributed to the many past and present students at Weston! We will Love you Always, Class of 2001.

Junior Auction

Little taste of the good life...

The Class of 2001 had another incredibly successful night during our Tropical Heatwave Auction. The night was highlighted by an entertaining dance performed by a few brave guys and girls, to a number from South Pacific. The silent auction went smoothly, and our live auction never had a dull moment!

This was definitely a time when our class came together, and worked very hard, and was able to see the results. We had to work hard to get the donations, write the item book up, and write and rehearse the live auction skits. We would like to thank everyone who put so much time and effort into the evening. Without your help, the auction never would have been so successful.

-Meghan Kelly & Peter Zotto

DO I HEAR $100? T.K. Skenderian and Jessie Czarnowski were auctioneers for this successful evening.

THIRSTY? Jenny Durkin, Kristy Bruno, Leif Von Der Heyde and Jason Korsmeyer keep the crowd cool as they serve their refreshing beverages.

DON'T BURST OUR BALLOONS! Rosemary Flynn agrees that the auction will be a success as she helps with decorations.

NEED A LESSON? Hula expert Max Goodman will give you a free lesson anytime.

Diamonds in the Sky

Over the years, we have grown closer as a class. We have over come many bumps in the road and managed to have a lot of fun times together. Through stars at the prom and the tears that will come at graduation we have formed an unbreakable bond. No matter what the future holds no one can take away what we have had together. We are *diamonds in the sky.*

This is my last year in WHS. In the two year that I lived here, I had success, disappointment, as well as excitement. All of them are unforgettable. I have learned so much from my teachers and friends. For those who give me supports and helps, I want to say thank you very much. JM, ML, TK, FW, MS, POL, RA, CH, BK, DM, AK...

Most of all, I want to thank my mom and my stepfather. Mom, you are the best, over the years, I have learned so much from you. My stepfather, you are the best friend and guardian, and the turning point of my life.

Above all else, to thine own self be true.
-Shakespeare

It is possible to have been here in kindergarten and not be a lifer. I am the proof of this. Everyone here has some unique quirk, a trait which is all their own. It is important to "know thyself," and never let others manipulate you.

Weston High has been great for me. It has given me the opportunity to discover who I really am. It's difficult to forget the people here. I went to private school for 7 years, and when I came back I still remembered several of my elementary school friends. Good luck to you all, Matt S, Torrey, Mike B- there are so many I want to mention.

The following are a couple of quotes I have enjoied from one of my favorite authors.

"Instead if trying to build newer and bigger weapons of destruction, we should be thinking about getting more use out of the ones we already have.

"We used to laugh at Grandpa when he'd head off and go fishing. But we wouldn't be laughing that evening when he'd come back with some whore he picked up in town."

"You know what would make a good story? Something about a clown who make people happy, but inside he's real sad. Also, he has severe diarrhea."

"I listen to the wind, to the wind, of my soul. Where I'll end up well I think only God really knows." – Cat Stevens
"When the waters of your mind are quiet they will reflect the perfect image of your spirit." – Tom Brown
At times here at Weston High I felt I was in a prison, kept from my spiritual callings. There will be prisons throughout life, but they are all escapable. The natural world will always be there to help you with this. In my most painful moments I turned to Nature: Watching the stars in Maine... Hiking above tree line in the Whites... Sitting outside in a thunderstorm... Lying face up under an autumn tree... Experience nature, it will heal any pain and strengthen any passion you have. It has for me.

Wowie! What a ride! Although our most busy, hard-working, and jam-packed year, junior year was one jolly good time!

Prom was at the Harbor Pavilion at the New England Aquarium! We also spent the first few months of the year planning for our highly successful junior auction. In addition to raising a handsome sum for our prom and senior class trip, we donated quite a bit of our revenues to charity. Our other major class activity was the third annual Special Needs Basketball Tournament.

We had tremendous class participation in all our activities and look forward to what is certain to be an incredible senior year! Our special thanks to our class advisors and parents for all their hard work and support!

This year the sophomore class accomplished a wide variety of events. Working together we put on a Haunted House, created and sold original lanyards, and started a new tradition of having the holiday party in a decorated cafeteria with juniors, sophomores, and freshmen.

We enjoyed participating in a range of community service projects, and fundraising activities. Our semi-formal was a blast!

We would also like to thank our class mothers and class advisors for all their help throughout the year. Without them our sophomore year could never have been so successful.

Our primary goals this year were to unify the class and to have everyone involved find success. In doing so, we tried to coordinate a class-wide community service project.

An introductory gathering for the class was a potluck dinner prior to the first football game. In early November we held a very successful Medieval Fair. We were also involved in serving refreshments at the fall play. All of these events involved the entire classes' work and the results were fantastic.

It has been a wonderful year and we're sure our hard work has paved the way for our next three years as we progress through Weston High School.

"My first and lasting impression of Weston High School is the tremendous strength it has. I have never been a part of a school system that involves the community as much. Weston is a place made up of three ingredients. Parents are always there to help. The teachers are amazing and extremely dedicated to their jobs. The kids are focused, hard working, and ambitious. When you combine these ingredients, a wonderful product results."

Miles and Smiles

Both the girls and boys cross country teams had an outstanding season this year. Every year the boys get off to a rocky start, but managed to pull together and make that final trip to the state meet, as they did once again this year. With injuries plaguing co-captain Adam Kraft and key scorer Logan Jones, the season didn't look too promising. However, Nathan Landy, Tom Stuart, and Asad Balma stepped up and had stellar performances. Once Jones and Kraft were back, they joined Henry Cipolla and were unstopable. The boys went on to place second in the EMASS class meet.

The girls were strong from the start, and with the help of tri-captains Jordan MacClary, Torrey Kulow, and Jenny Wong, many great things were expected. A few injuries held the girls back as well, but they were overall able to finish with a 3-5 record and placed 4th in the DCL meet, where all three captains earned individual trophies. The ladies narrowly missed qualifying for All-States, however MacClary and Kulow qualified as individuals and placed 18th and 31st.

GOOD TIMES. Torrey Kulow, Jenny Wong and Jordan MacClary provided strength, experience and leadership as the captains of the girls.

ALMOST THERE!! Jenny Wong is coming down the home stretch. She helped to lead this team to one of their most successful seasons yet.

OH SO CUTE. Jordan MacClary will absolutely miss running with Logan Jones, one of her main men. They have run together for three wonderful years.

POOR WEATHER. It isn't always a sunny day out when it is time for running. However, these boys aren't hindered by a little rain and mud.

ALL SMILES. After many miles, this group of boys is ready to take a break. They should be very hapy and proud of their running this year.

COME ON LISETTA!! Lisetta starts off strong. Here she is, at the beginning of the race, leaving the pack to run on her own, much faster than the pace set by her fellow runners.

Together. Whoa Team!

Whether the Field Hockey team was battling to slay their rivals or riding high after winning the DCL title, the girls were in it together. Battling was truly the word, as the team formed the "No Pain No Gain Club" after three players left the field for the hospital while bleeding profusely from the head. Despite these deficits, the bonds and spirit that remained drove the team to success. Capturing a tournament spot with a 9-0 record, each athlete contributed her skills and traits to an incredible experience. The team cheered on the top three DCL leading scorers: Junior Sabrina Lazzari, Sophomore Julie Lane, and Senior Kristy Bruno. Senior Captain Missy Kahan prevailed as the league's best wall in goal. First team All-Star status was awarded to the preceding four, as well as Senior Captain Caroline Pierson and Senior Teresa Tao. Seniors Anne and Kate Becker, Liz Ecker and Sharon Warren provided an impenetrable wall of defense.

TIGHT BONDS. Nothing could come between these girls as they fought their way towards the DCL Title, not even numerous head wounds.

SPEED AND AGILITY. Two of the things Kristy Bruno used to help her team in the quest for a tournament berth.

HARD AS A ROCK. Missy Kahan was a strong force for Weston's Field Hockey team. Her goal saving skills have improved drastically since her freshman year.

FOCUS AND STRENGTH. These are two things that the Field Hockey team was not lacking this season as they cruised to an amazing tournament performance.

FIGHT FIGHT FIGHT! This is exactly what the Field Hockey team did throughout this season.

WOW! By the looks of this swing,when Sophomore Michelle Archambault is a senior she'll take her team to the top just as fast as this ball will hit the net!

A Trying Season

The 2000 Weston Wildcats were never held to any high expectations. They were only returning three seniors,and overall six returning starters. Tri-captains Aaron Berkey, T.K. Skenderian, and Blake Mensing led the team and persevered through the tough season. Unfortunately the Cats faced serious injuries right from the start. Mensing and Berkey were sidelined for a large majority of the season. This, along with the lack of upper-classmen, forced many of younger players to step up and make contributions to the team.The Cats struggled, and greatly missed Berkey and Mensing's presence on the field. Some of the juniors that proved to be key contributors to the season were Dustin Jansen, Troy Diggs, Mohammed Khalil, Rob LeBlanc, Jason Cort and Monik Mehta. Sophomores Jon Fine and Pat Abraham, along with Freshmen Miguel Montisino, Bobby Wells, and Pat Flynn were all key players. Despite the low expectations and lack of success the cats experienced this year, they have learned a great deal and will be better prepared for the future. Success in years to come is eminent for the football team. In the years ahead, the wildcats will avenge the losses of this season and become an incredible football team. Hard work always pays off, and although it may not have through victories this season, is it bound to take a toll in the upcoming years at Weston High School.

FUGGEDABOUDIT. Troy Diggs steps up to make one of his many key tackles during the season. The Wildcats are lucky he will be returning next year.

GO LONG!! Aaron Berkey warms his arm up as he gets ready to take on another challenging game. His most frequent connects were with Junior Dustin Jansen, Jason Cort, Troy Diggs, and Senior T.K. Skenderian.

I'M OPEN! Senior Captain T.K. Skendarian gets in his stance as he anticipates the snap. His leadership and excellent work ethic added much to the teamthis season.

The Golf team started the season with high expectations. After a poor start, the team turned it around and won eight of the final ten matches. Returning to the team were Captain Alan Lane, Charlie Sahlman, Dan Gollinger, Dave Warren, Keith Goodale, and Brett Yogel. The remaining spots were filled by freshmen Robbie Grant and Trip Botsford, and junior Dino Castelucci. For the third year in a row the team was invited to attend the state tournament. Sahlman and Warren enjoyed particularly good seasons and represented Weston at the DCL All-Star Tournament. As the season progressed the Wildcats began to establish themselves as a force to be reckoned with in the DCL. Above all, the players showed good etiquette and formed strong friendships with one another. Good Luck Golf 2001!

IN THE ROUGH. Wow, what a rare sight. Keith Goodale is in the rough!! In fact, this sophomore spent most of his time on the fairway, and is looking like a pretty good player for the next few years.

AT THE TEE. David Warren's first shot from the tee is looking pretty good. Aw what a nice day out it is for a round of golf. This is much better than school!

FOUR! Captain Alan Lane was a veritable force to be reckoned with for the Weston Golf Team. He showed great course etiquette to his teammates and opponents alike.

WELL THAT WAS PRETTY GOOD. Brett Yogel leaves the green after an extremely well played round of golf. As a sophomore, he has two great seasons left with the team and will undoubtedly continue to improve.

BOYS' SOCCER

Good Effort

The Weston Boy's Soccer Team had a season in which staying tough was truly important. Mentally tough, that is. Plagued throughout the season with multiple goalie injuries, our boys worked with what they were given, which wasn't always amazing. Captains Fran Karasch and Colin Woodworth aided by the other Seniors, Dan Rose, Matt Spencer, Regan McDowall, and Henri Canal, tried their hardest to develop the team into a success. It was heart-wreching to just barely miss clinching a spot in tournament.The Upperclassmen were vital in developing the skills of some of the Underclassmen, leaving quite a legacy to be filled. However, with strong returining junior and sophomore classes, things can only get better for boy's soccer.

GET OPEN! Fran Karasch prepares to throw the ball in bounds. With fellow captain Colin Woodworth, Fran led this team with great dedication and a truly competitive spirit.

All Heart and Desire

The Lady Cats had an unforgettable season. Although they had a rocky start, things turned around for them in the second half of the season. After some disappointing losses, the girls rebounded and began a seven game winning streak with a crushing upset over Acton-Boxboro. With stellar senior Stacy Simon taking the corners, Rachel Biondolillo leading the league in scoring, and goalie Lindsay Cassell performing impressively, despite an injured hamstring, the team earned a spot in the Division III State Tournament. Along the way, the team grew closer, and played with "All Heart and Desire." The seniors provided a strong structure from which the underclassmen benefitted. Ani, Caroline, Jackie, Lauren, Ali, Julia, Ashley, Emily, Stacy, Rachel and Lindsay will all be greatly missed.
-Caroline Curtis, Jackie Dew and Rachel Biondilillo '01

NICE GAME GIRLS! The girls rejoice after an amazing comeback win over Acton. This game was a major turnaround for the team, and jumpstarted them for the rest of the season.

I'M OPEN! Star forward Rachel Biondolillo goes to the goal for a pass. She was a crucial part of the team and will be missed next year.

GIRLS' BASKETBALL

Still Going Strong

The girls' basketball team had yet another successful season, continuing on the tradition of making history. The ladies finished the season with the best regular season record ever at 13-7. The Cats were lead by senior captains Jesse Berkey, Lindsay Cassell, and Caroline Pierson. Many of the underclassmen made major contributions as well. Sophomores Anna Spencer, Allison Curtis and Jenny Fernandez played key roles, starting nearly every game. Not only did the team as a whole achieve many goals, but a number of individual records were broken by senior captain Jesse Berkey. After becoming just the second girl to reach 1000 points, she broke the all time women's and men's scoring record in January. Berkey now holds the title as the all time leading scorer at Weston High School. Jesse and Lindsay were both honored at the culmination of the regular season as DCL all-stars. The tournament was yet another exciting experience for the girls.

GO WESTON!. The infamous pregame circle in which the captains prepare the underclasswomen for what is coming. These girls stepped up to the challenge every time.

THAT ONE IS ALL NET!. Captain Jesse Berkey sinks a foul shout on her way to scoring 1400 points. This Bowdoin bound all-star will be irreplaceble next year.

STONEWALL CASSELL. Senior captain Lindsay Cassell tosses an intimidating stare at her opponents. Lindsay was well-known throughout the league for her impenetrable defense.

SWIMMING

"Bring It"

With many challenges thrown at them, including a Dual meet with St. John's Prep, and two invitational meets, the boys demonstrated that they were the best team to ever swim in Massachusetts. Madison, Korsmeyer, Davis, Dunn, Peters, Spec-Daddy, and Kwak will graduate with a great sense of accomplishment. The many seniors on the team are leaving the boys with a two year undefeated streak. However, the young men behind the scenes, Folz and Valz, deserve much of the credit, as they are quite possibly the best combination of coaching talent. Though it will be hard, boys like Butts, Hearty, Carvey, Kwak, Warren, and especially Igoe, will step up and keep the Tide high. Don't forget the Red Bull, Pickle or the biscuits. Thanks for all the fun times and the memories. It was one heck of a ride. Boys, keep it going. You are awesome. 1...2...3... GO TIDE!

The GLOWS had yet another incredible season this past year. Led by senior tri-captains Courtney Davies, Rosemary Flynn, and Caroline Curtis, the girls steamed to an undefeated Dual meet season. The freshman provided needed depth, and the captains received strong support from the other seniors on the team, including Jessica Young, Anne and Kate Becker, and Sharon Warren. The underclassmen stepped up and provided the depth that was neccesary to beat L-S in a Dual meet as well as in the DCL meet. Not resting on their laurels, however, the girls went on to win their fourth straight North Sectional Title. Juniors Sofi Madison and Sabrina Lazzari helped lead the team to varsity and pool records, in addition to the fourth straight DCL and Sectional titles. We want to thank Folz and Valz for their support and coaching.

SO? Coach Payson Corbiere smiles for a picture. Payson was an invaluable aspect to the Tide. Thanks for all your support and time, Payson. We love you.

FOLZ AND THE GIRLS. Coach Foley poses with his three girl captains. Courtney, Caroline, and Rose were all very instumental throughout the season.

GO TIDE! Coach Foley gives a mid-meet speech to the girls team. The girls dominated the DCL and North Section of Massachusetts as well. Nice swimming ladies!

A KILLER RELAY. These four senior boys are excited with their relay splits. Together, they swim some of the fastest relays ever to come through Weston High, as well as the state.

KWAK, KWAK, KWAK. Senior Sammy Kwak congratulates his little brother, Paul, on a great race. Thank goodness he didn't have an asthma attack!

WATCH YOUR BACK!. Senior Captain Jordan MacClary prepares to pass, or maybe even lap, her opponent in one of the longer distance events. Go 270!

DA BOYZ. Captain Henry Cipolla and junior Logan Jones led the boys' track team this year. The team greatly benefited from their leadership.

JUST A BLUR. Senior Rachel Biondolillo races with the baton for the next leg of the relay. Placing in the relays proved to be a vital component in winning the DCL title for the girls.

GREAT TIMES. Jenny Wong, Lisetta Shah, and Missy Kahan get together for a quick picture. Lisetta will really miss Jenny and Missy next year!

INDOOR TRACK

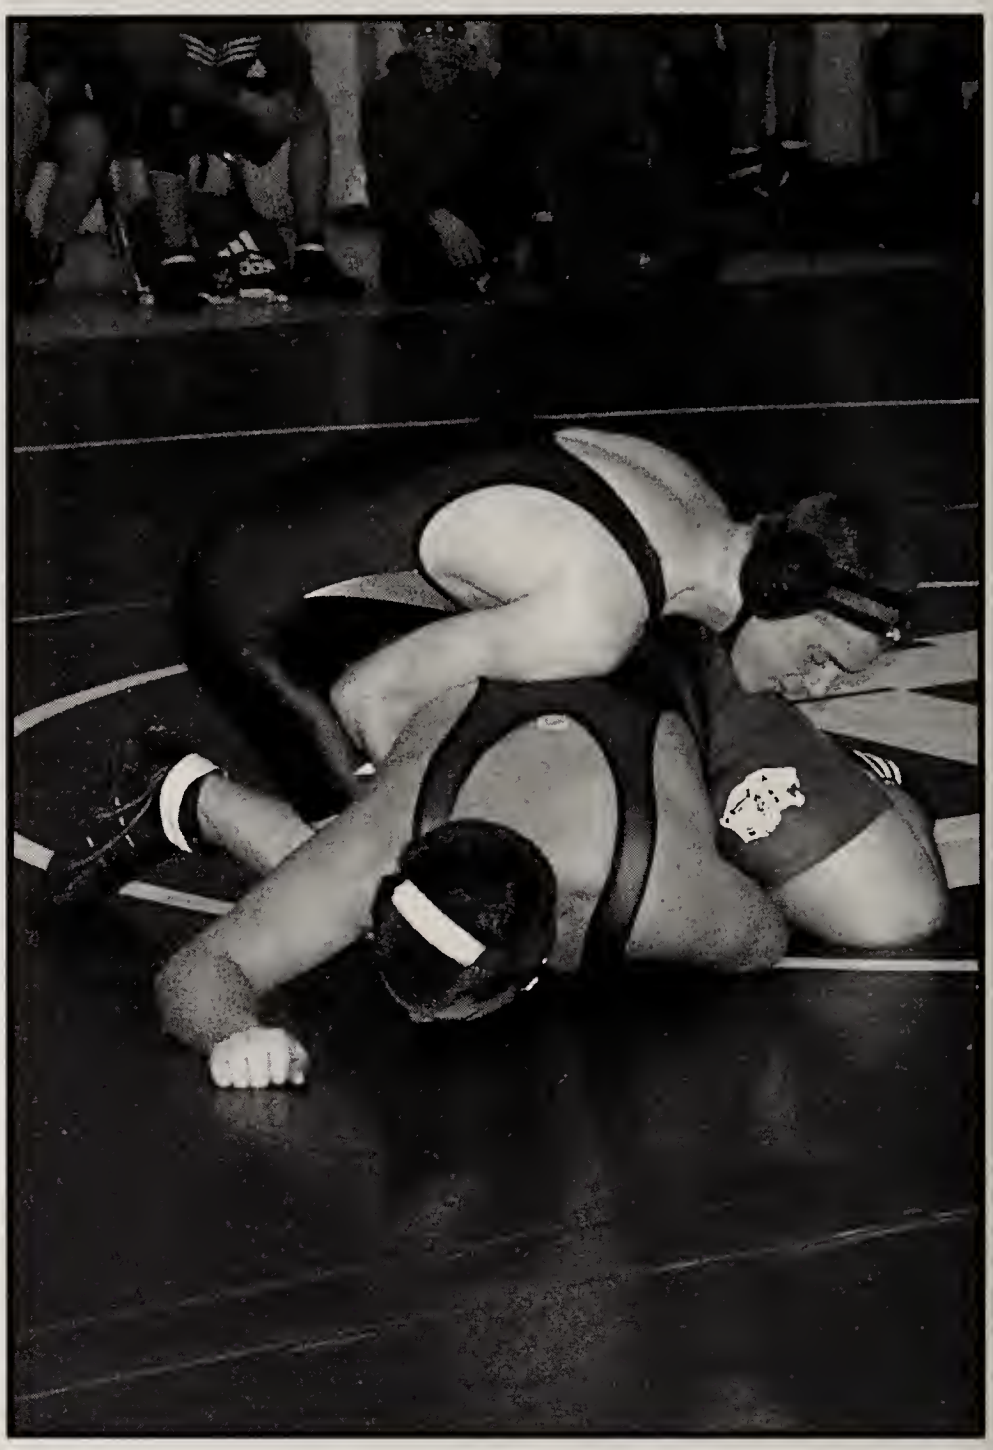
An Impressive Winter

Despite their small numbers, the members of the Weston girls' track team achieved great success this season. Throughout the season, Weston managed to edge out DCL opponents 8-0. A strong group of seniors earned many of the points in the meets, and the team had a strong turnout of new members as well. Major scorers included Missy Kahan in the shot put; Jordan MacClary, Torrey Kulow, Lisetta Shah, and Jenny Wong in the long distance events; and Ashley Viola, Rachel Biondolillo, Samantha Shepard, and Colleen Ferguson in the middle and short distance events. With such a small team, every member was important to Weston's success. Coaches Maguire, Monz, and Kelley always managed to strategize the close meets so that Weston prevailed.

Although there were not many bodies on the boys' track team, individually many personal and team goals were met this winter. The Wildcats, whose numbers only amounted to ten, finished off the season with a win against Boston Latin. However, track success is not always measured by a team's record. Junior Logan Jones and senior Henry Cipolla both earned a first place spot in their respective events at the league meet. In addition, a relay compiled of Jones, Cipolla, Katz, and Karasch, placed in the top three. That displayed the talent that the team possessed, however, there were not enough numbers to fill all the slots in the meets. Under the circumstances, the track boys should be proud of themselves and of their personal accomplishments. In addition, they should look forward to building a team of more people and thus continuing their tradition of excellence.

STRETCH. Torrey Kulow streches out before a big race. This senior has been a strong contributor to the track program at this school for four years.

FOOLIN' AROUND. James Anza shows Charlie To what it's all about. To wants another chance at taking Anza, only this time without the suprise attack!



YEAH, THAT'S RIGHT. Senior Captain Lee Wilson takes out his opponent, about to roll him over for a pin.

WRESTLING

Up in the Pit

The Weston boys' wrestling team had yet another successful season, with its upperclassmen leading the way. Senior captains Lee Wilson, who had a fourth incredible year to close his career as a high school wrestler, and Mike Lettieri, whose hard work and dedication to the team paid off big at the end of the season, rallied the team to a one loss season. Going into the tournaments, the seniors continued to excel, while the underclassmen, such as Horowitz and Cook, stepped up and wrestled like juniors. Other star wrestlers, like Brian Kim who made a terrific comeback from knee and elbow injuries, reclaimed their premier spots in Massachusetts wrestling. Baldanza, with his rigorous army-like workouts, made sure that his boys were in top physical condition. This certainly paid off as they placed in the top three in the State Tournament. Nice job, boys.

HERE WE GO CATS!. The boys are having one giant pigpile prior to a meet. The wrestling team had a great dual meet season, as well as winning the King Philip Tournament, and placing third in Framingham, Needham, and Division III North Sectional Tournaments.

WHO WAS THAT? These Wildcats are running around the pit during one of Baldanza's famous warm-ups. This spirit and dedication brought the team to a strong finish at the Division III State Meet.

THE FUTURE. Anza, Cagnioncle, Cook and Orth are some of the premier underclassmen that will be bringing the wrestling team to greater heights in the coming years.

DOWN FOR THE COUNT!. Junior Steve Wai pins his rival and leaps ahead in his match. Wai will undoubtedly excel in his final year at Weston, watching his hard work pay off.

Tyler — Thank you for the happiness, joy and vision you have brought into our lives.

Your creativity and sense of humor has always made us laugh. It was no surprise when your teacher reported that when asked to write the classic"What I Did Over Summer Vacation" paper, you just wrote "I breathed." She couldn't figure out if you had an incredibly sophisticated sense of humor for an eight year old, or if you were just trying to get out of writing a paper. We guessed it was both.

We are proud of your strong desire to do what is right and be a genuinely good person, son, brother and friend.

Always be true to yourself and keep taking the road less traveled.

Court—From fighting over the bathroom and makeup, to driving around town just listening to our music with the windows down! I don't know what I am going to do without you. I know we have had our moments, but we have gotten so close recently. You're like my second mother and my fashion police! I don't know how I got so lucky to have such a loving and caring sister like you. Thanks for sticking up for me and standing by me in the times when I needed someone the most. I can't stand the thought of not having you coming home every day and us not having "jam" sessions in your room. Court, I just want to tell you that I love you no matter how far away from me you get. I am going to miss you. Have fun and "party hardy!"

Al—I remember those bunk-bed days and the ole rat biting football incident like they were yesterday. Now you're a grown woman and have gotten all philosophical on me and I just don't know what to say about that. I'm glad to see who you've grown to become. You are the most determined person I know in seeing things through and making sure that it all turns out right. And your spirit stands strong in any situation, which at your age is as common as Jack using one of our toilets to pee in. Good luck in college, it's an amazing and chaotic world you're entering into. Just give it your best shot, grab knowledge wherever you can get it, and live it up for all it's worth. Because weeks blink by like seconds and semesters are over before you can plan vacation, but it's as fun as you'll ever have in your life. So enjoy—because you've almost made it. Out on the Field

After losing nine seniors from a stacked 2000 team, the baseball team was faced with a rebuilding year this season. Returning to the team were starters T.K. Skenderian, Alan Lane, and Nate Green. Those three were also the captains of the 2001 team.

Unfortunately, an off-season shoulder injury forced Lane to miss the majority of the season, and limited him to designated-hitter duties. Skenderian and Green led the team through some rough games, but pulled it together in a solid run for the state tournament. Some other key players for the team were juniors Stu Watson, Dustin Jansen, and sophomores Keith Goodale, Justin Miller, Ted Lee, Ronny Dorazio, and freshman Miguel Montesino. Coaches Kirk Fredericks and Matt Marenghi worked with the team to help develop them into good baseball players.

This was a rebuilding season, and the Weston Wildcat Baseball team will be much improved in the years to come.

BOYS' LACROSSE

A Memorable Season

The Varsity team had the best season ever, exhibiting levels of talent, dedication and hardwork unmatched in previous years. Captains Lee Wilson, Aaron Berkey, and Dan Webber were exceptionally solid players and leaders. Webber was unbelievable in goal and deserves special recognition for his dependability. Wilson, an amazing defender, exhibited strong leadership. Berkey was matchless at face-offs, with an unstoppable shot.

Attackmen Alex Horowitz, Jeff Margulies and Eric Butts all had lightning-quick, accurate shots. Alex Horowitz made several game-winning goals, most memorably in the win over Newton-South. The defense, Blake Mensing, Lee Wilson and J.J. Hearty made an unbelievable number of blocks and Mensing showed an uncanny ability to pick off attackmen's passes.

We had three midfield lines, the first a solid line of Aaron Berkey, Jon Caldwell and Colin Igoe. Caldwell and Berkey showed great offensive abilities and Igoe supported them with incredible speed. The second line, Jason Korsmeyer, Fran Karasch and David Warren, showed great offensive and defensive skill, with Korsmeyer having an incredible shot, Warren having remarkable ability to think while playing, and Karasch having speed, agility and an incredible shot.The third midfield line, Dan Rose, Brian Watson and Colin Oberg were defensively strong.

The two long-pole middies, Jack Ribakoff and Jared Lou, aided the defense and were strong contributors to our successful season.

Our team was led by Coach Lewis, one of the best coaches we have ever played for. The success of the team can be traced to his efforts. He became ill this year and was unable to finish the season. We are thinking of him, wishing him luck and a healthy recovery. He is a remarkable human being and educator. Thank you Coach.

GIRLS' LACROSSE

Teamwork

Overall, the girls' lacrosse team was very pleased with the way they played this season. They had lost their whole defense and their starting goalie, so it seemed as if there were big shoes to fill. The team grew stronger as the season progressed, however, as they followed the leadership of the seniors.

Led by Lindsay Cassell and Caroline Curtis, the team's two captains, the highlight of the season came when Weston beat LS, the team at the top of the DCL. This win caused LS to lose the DCL title. Although the season was up and down, leading to not making the tournament, the team still fought every game with determination. Senior, Courtney Couper stepped it up on the defense and was awarded DCL All-Star status. Lindsay Cassell, awarded all-scholastic and team MVP, held the team together for many games. Senior Missy Kahan, not only proved to be a savior in the goal, but was also the team's spirit winner.

Maggie Jenks-Daly, the team's leading scorer, was also chosen a DCL All-Star. Cate Dwyer and Sabrina Lazzari were crucial parts of the team's attack and both scored substantial numbers of goals. In addition, Julie Lane, an underclassmen, also became an important player on the field.

Coach LeRoy guided the team and was always there for support. The record of this team was not the best it could have been, but they put in a good effort and had a very fun season! "You ain't got to call me your boo. . ."

SCORE! The Varsity Girls' Lacrosse team sets up in front of the goal, trying to score on the opposing team.

GET OFF OF ME! Sabrina Lazzari cradles the ball while fighting off an opponent and searching for a teammate to pass to.

DEFENSE! Courtney Couper clears the ball away from her goal and carries it down to the other end.

LET'S GO! Maggie Jenks-Daly, a key player in the varsity line-up this year, stands in center field ready to begin the game and bring her team to victory.

SOFTBALL

New Addition

As this year's newest addition to Weston High School's collection of sports, softball really took off. With a sub-varsity team consisting of one sophomore, fifteen freshmen, and three coaches, the team succeeded in building a great foundation for years to come. The team worked hard to build skills that resulted in many victories.

Though this year's record was not as impressive on paper, the number of close games lost by one run in the final inning, stood out in the minds of every player and fan this season. It was wonderful, after not having a high school team for so long, to have the sport grow so much during its initial season.

The people molded the team, and the team molded the people. Nice bunt, Flippin! Beast (Veronica), will you stop or do you want to sit out? Elmet...I mean...um... Arielle dancing, enough said. Honk if you love us! Mono stinks! Nasty C & P -Special K+. Shout out to all the princesses. Right fielders rule, YA hub club and weddings. L-Wigg, Ande's pool, I get the hint - no baseball game. Never forget the bread bowl!!!

LOOK OUT! Freshman Carly Brush warms up her arm before the start of the next inning. Her spectacular softball skills are a key factor to the outcome of many of Weston's games.

GO WESTON! The ladies of the Weston softball team huddle up for a team cheer after the game, led by Coach Laura Galopim.

HEADS UP! Freshman Elise Patterson is about to achieve yet another out at third base, as she runs to catch a fly-ball.

BOYS' TENNIS

Hard Play

The Weston boy's tennis team suffered numerous losses this year. However, despite the difficult season, we were able to increase our winning count to two, a definite step up from last year's zero.

The impressive leadership of senior co-captain Matt Spencer and his doubles partner, Henri Canal, helped the team to win over five individual matches during the season. Junior co-captain Sam Treadway was a foundation of the team and juniors Pat Crowley and Charlie Salhman are sure to be strong members of the team next year.

Although varsity is losing two players next year, the spaces will be filled by returning varsity players, Yourehan Kim, Alex Lawrence, and Ben Fox.

Also returning will be varsity coach Peter Koekkoek, who is going into his third year with Weston's boys' tennis team, and junior varsity coach Nancy Grant. With the help of our coaches and the improvements we were able to make this season, we hope to be one of the better teams in the DCL next spring.

GOOD HIT. Henry Canal prepares to hit the winning ball for Weston's phenomenal boys' tennis team.

GIRLS' TENNIS

Fun on the Court

The 2001 girls' tennis season was one of hard work, determination and drive. We went into the season looking for victory, and though it was hard to obtain, the team's ambition never lessened. Huge improvements were made under the leadership of tri-captains Meghan Kelly, Genia Lysak and Nicole Athas, and our coach Martha Roiter.

No matter what our standing, every match began with efforts to emphasize staying strong, keeping our spirits up and knowing that we were able to do it. If not a multitude of victories, we still take a winning attitude away from the season. Talent was spread out over all grades, from seniors to freshmen, J.V. to Varsity, and each effort made was a valuable one for the team. Our mind-set was goal-oriented, but we also just wanted to go out and have fun. It's not the number of wins, but the fun we had—bus rides, dinners, practices—that made the season a memorable one.

WHAT A ROUND. Kate Berman, Samantha Chen and Meghan Kelly take a break during practice.

READY POSITION. Kate Berman improved her tennis skills this spring as a spirited and energetic member of the tennis team.

FOCUS. Senior Genia Lysak goes up to the net to hit a volly, while Junior Varsity coach, Holly Osler watches.

OUTDOOR TRACK

"Want to Race?"

As is the Wildcat tradition, the boys' spring track season was an interesting season full of surprises. The season started with high expectations, coming out of a stellar indoor track season. However after the first few meets, it seemed difficult for the team to excel well as a whole, instead of several individual performances.

After a breakthrough two-mile run by sophomore Peter Orth, and a faster than anticipated time for the 400 meter relay by senior Henry Cipolla, juniors Logan Jones and Joe Karasch, and sophomore Jean Sebastian, things started looking good again midway through the season. However, two days before the Class Championship meet, Jean Sebastian twisted his ankle and the relay team suffered.

At the Class D meet, Logan Jones won his race, Peter Orth placed in his race, and the makeshift 800 meter relay, that was put together after Jean's injury, placed second. While not quite as spectacular a team performance as originally hoped for, these performances helped end the season on a positive note, with very high expectations for the next track season!

Despite their 1-7 record in the DCL, the Weston girls' track team closed the 2001 season with many strong post-season performances. The team had both a strong group of seniors and a group of up-and-coming underclassmen. Head coach Monz, along with coaches Kelley, Sutherland, and Westfall, guided the competitors to success. The team was led by senior captains Torrey Kulow (distance), Jordan MacClary (distance), Rachel Biondolillo (sprinting), and Meghan Wilson (throwing).

Major contributors in the distance events included Jenny Wong ('01), Lisetta Shah ('02), Christiana Glenn ('04), and Lane Marder ('04). Anna Spencer ('03), named DCL all-star, was the team's main hurdler. Samantha Shepard ('02) was the state champion in the pole vault, and also made major contributions in sprinting events. Kaitlin Machen ('04) and Colleen Ferguson ('03) were both heavy scorers in the sprinting events. Maureen O'Brien ('03) contributed in the throwing events, while classmate Emily Collinson earned points in the triple jump. Kulow and Shepard advanced to the All-State Meet as individuals, while Ferguson, Biondolillo, Machen, and MacClary advanced as parts of relay teams. The girls on the track team earned many personal bests during the season, especially toward the end.
